How do I . . . Renew Materials Online?

From the Library’s home page, on the left hand side of the page under Quick Links click on Renew Books.

This will take you to the login page for your Account. Login to your account with the same login you use for all your UTPA accounts (ASSIST, Blackboard, etc.).
After you login, you have the option to look at your requests (holds), Items currently checked out, View/Renew ILL books (this link will prompt you to login to ILLiad).

To renew your books, click on the Items currently checked out.

The buttons allow you to Sort by Due Date, Renew All or Renew Selected Items. Select the items you want to renew by clicking on the box to the left of the item. If you click on the Renew All button you do not need to check individual items.
After you are done renewing your items you can logout.

If you need additional help renewing your materials online, please contact the Reference desk at (956) 665-2752 or through chat, email, etc.
